Samelan preparations in April 2017

The Trustees and the Executive Committee of the Hindoo Society, would like to express their heartfelt gratitude for the generous and selfless assistance provided during the planning stages and through the two functions held over the Easter weekend.

Your tireless help and counsel contributed immensely toward the outstanding success of the Ghazals evening on the 15th April and the bhajan Samelan on the 16th April.

The goodwill generated within the community was extremely satisfying and showed that no task is too large when tackled in unison.

We thank you for your unconditional and inspirational support as always.

The Trustees and the Executive Committee of the Hindoo Society Harare, express their heartfelt gratitude for the generous donation on Samelan Day. Words are not adequate to convey the feelings but are ever so grateful.
